

Annual Report

Session: 2026-27

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge, and knowledge makes you great".

At our school, we believe that true education is the harmonious blend of knowledge, creativity, character, and critical thinking. Rooted in this vision, the academic session 2025-26 marked yet another inspiring chapter in our pursuit of holistic excellence.

In this voyage of learning and discovery, the school worked hand in hand with dedicated staff, supportive parents, and enthusiastic students to foster not just academic brilliance, but also moral, emotional, social, intellectual, and physical development. Together, we created an environment where every child was encouraged to explore, express, and excel.

Echoes of Excellence: Our Shining Scholars

The academic session 2025–26 stands as a distinguished milestone in the journey of our institution, illuminated by the stellar achievements of our students in the board examinations. Their remarkable performance is a resounding affirmation of our commitment to academic excellence and holistic development. In the Commerce stream, Tanvir Dhand soared to brilliance with an exceptional 91.4%, followed closely by Gursharan Singh Sodhi, who secured an impressive 89%, both exemplifying the highest standards of diligence and intellectual caliber. From the Science stream, Navdeep Kaur and Jaskiranpreet Kaur delivered commendable performances, attaining 78.2% and 78% respectively, a reflection of their perseverance and strong academic foundation. The Arts stream too was marked by distinction, with Mehakpreet Kaur achieving an admirable 85.2% and Jaismeen Dhand earning a noteworthy 83.4%, showcasing both creativity and academic prowess. These outstanding results are not merely numerical triumphs but enduring symbols of hard work, dedication, and the synergistic support of our devoted educators. Each of these young achievers has brought immense pride and honour to the school, further enriching our legacy of nurturing excellence, character, and aspiration.

Honouring the Pillars of Student Governance – Session 2025–26

The house system and the Investiture Ceremony hold great significance in school life, instilling in students the values of leadership, responsibility, teamwork, and healthy competition. It marks the beginning of a journey where young leaders are entrusted with duties that shape their character and confidence. In the academic session 2025–26, our school proudly appointed a dynamic team of student leaders who upheld these values with excellence. Jashandeep Singh served as the Head Boy, leading with integrity and inspiration, while Sumandeep Kaur as Head Girl, set a shining example of dedication and grace. Supporting them was Dilpreet Singh as Vice Head Boy and Loveleen Kaur as Vice Head Girl, both of whom carried out their responsibilities with remarkable sincerity. Among the house leaders, Sumanjot Kaur Gill was elected as House Captain of Teressa House, known for his unwavering commitment; Khuspreet Kaur Sidhu led Ranjit House with strong discipline and vision; Ashleen Kaur guided Ashoka House with integrity and enthusiasm; and Jasleen Kaur brought vibrant energy and leadership to Akbar House. Together, these student leaders contributed significantly to nurturing a positive, inclusive, and empowering school environment throughout the year.

Co-Curricular Excellence: Nurturing Holistic Growth

At our institution co-curricular activities are seamlessly interwoven into the academic fabric, ensuring the holistic development of every learner. The school year begins with a note of gratitude through a solemn Thanksgiving ceremony, where the Almighty is revered for His blessings.

From the very outset, our tiny tots of the pre-primary wing are joyfully welcomed with engaging and meaningful activities. Celebrations such as Earth Day, Labor Day, Blue Day, Van Mahotsav, and Mother's Day are thoughtfully observed to instill values of empathy, environmental awareness, and gratitude. These events serve as experiential learning opportunities, helping students understand the significance of cultural, national, and moral themes throughout the year. Academic enrichment is fostered through various competitive platforms including Science and Mathematics quizzes, Spell bee contests, PowerPoint presentations, art and painting competitions, rhyme and coloring activities. These dynamic events not only sharpen cognitive skills but also ignite creativity and communication abilities across all age groups. Each celebration and activity is meticulously planned to enhance the emotional, intellectual, and social growth of the students, helping them become responsible and well-rounded individuals. Participation across these activities is encouraged through our vibrant house system, promoting teamwork, leadership, and a healthy spirit of competition.

Champions at Ludhiana Sahodaya: A Celebration of Sporting Excellence

During the session, the school proudly demonstrated remarkable excellence in the field of sports and athletics, reflecting the institution's commitment to holistic development and competitive spirit among students. In the inter-school tournaments, our students brought great laurels to the institution through their outstanding performances. In the Under-19 Chess Tournament, the school secured a commendable First Position, showcasing exceptional strategic thinking and intellectual prowess. In team sports, the Under-14 Boys Football Team secured Third Position, while the Under-19 Girls Football Team also achieved a Third Position, reflecting commendable teamwork and dedication. The Volleyball Teams performed admirably as well, with the Under-14 Girls Team securing Third Position and the Under-19 Girls Team bringing pride to the institution by securing First Position. Similarly, the Under-19 Girls Kho-Kho Team exhibited exceptional agility and coordination, achieving an impressive First Position.

The school also attained an overall Third Position in the Senior Athletic Meet, where several students distinguished themselves through exemplary individual performances. Neha secured First Position in the 1500 metre race, while Nayasha achieved First Position in the 800-meter race. Tanveer Kaur displayed outstanding athletic ability by securing First Position in the Long Jump, and Prabhjot Singh earned Second Position in the 1500 metre race. In the Junior Athletic Meet, the younger athletes also made the institution proud with their remarkable achievements. In the Under-8 category, Arshpreet Kaur secured First Position in the Obstacle Race, while Navtaaj Singh bagged a Gold Medal in the 200-meter race, and Mansehaj Singh secured Second Position in the same event. In the Under-12 category, Jagtar Singh achieved Second Position in the 400-meter race, whereas Baneet Kaur delivered an exceptional performance by securing First Position in the 100-meter race and Third Position in the 200-meter race.

These remarkable accomplishments stand as a testament to the students' determination, discipline, and sportsmanship, as well as the dedicated guidance of the school's mentors and coaches. The achievements have significantly enhanced the school's reputation and continue to inspire the entire school community to strive for excellence in both academics and co-curricular pursuits.

FIT India Week: Fostering Healthy Minds and Active Bodies

As part of the FIT India Week celebrations, our school orchestrated a vibrant array of activities aimed at instilling lifelong habits of health and well-being among students and staff alike. The week featured dynamic inter-house competitions that fostered physical fitness and team spirit, complemented by revitalizing yoga and meditation sessions that promoted mental clarity and emotional balance. Teachers actively participated alongside students, exemplifying the spirit of collective wellness. Engaging interactive sessions on nutrition, mental health, and personal hygiene empowered all participants with vital knowledge for a healthier lifestyle. Creativity found its voice through poster making and essay writing on the theme of healthy living, while daily announcements delivered impactful wellness messages. The celebration of Healthy Tiffin Day further reinforced the value of nutritious eating, uniting the school community in a shared commitment to fitness in body, mind, and spirit.

Annual Report of Co-Curricular and Awareness Initiatives (Session 2025–26)

“A Reflection of Holistic Learning, Social Responsibility and Student Empowerment”

As part of our commitment to nurturing well-rounded individuals, the school has undertaken a series of innovative practices and developmental programs that emphasize physical, emotional, and intellectual well-being.

➤ Integrated Wellness Programs

Mindfulness and meditation breaks were scheduled regularly for both students and teachers, allowing them to reset, refocus, and enhance their mental clarity and emotional resilience during the school day.

➤ Environmental Stewardship through SUPW

Under the banner of Socially Useful Productive Work (SUPW), students actively participated in Mission Haryali, an environmental initiative organized by Apna Punjab Foundation and the Federation of Private Schools and Association of Punjab. Approximately 850 saplings and plants were planted by our students as a step towards greener and cleaner surroundings.

➤ Participation in 'Pariksha Pe Charcha '

Demonstrating academic engagement at the national level, all teachers and 276 students, 30 Parents took part in the prestigious campaign 'Pariksha Pe Charcha', led by Hon'ble Prime Minister Shri Narendra Modi. All participants were honored with certificates of appreciation, acknowledging their involvement in this impactful educational dialogue.

➤ Excellence in Sports

The school proudly participated in the 'Khedan Watan Punjab Diyan' sports campaign, securing first position in High Jump and Relay Race, showcasing the athletic prowess and competitive spirit of our students.

➤ Observance of National CBSE Initiatives

In alignment with CBSE guidelines, the school celebrated National Education Day, National Integration Day, Unity Day, and other significant events, instilling in students a strong sense of patriotism, unity, and civic responsibility.

➤ **Awareness Seminar on Mental Health**

A special session was conducted by renowned psychologist Mr. Gulshan Kumar, focusing on mental well-being and behavioral health. The session provided valuable insights into emotional intelligence, stress management, and personal growth strategies.

➤ **Road Safety Seminar for Students and Staff**

A seminar on Traffic-Related Issues and Safe Vehicle Practices was organized for senior students and school bus conductors. The session was conducted under the expert guidance of **DSP Sardar Kulwant Singh ji**, where students were sensitized about traffic rules, responsible driving behavior and the importance of road safety in everyday life.

➤ **Fostering Environmental Stewardship:**

In our unwavering commitment to environmental stewardship, our school continues to sensitize students to the importance of ecological balance. Emphasizing the ideology that “We have not inherited this Earth from our forefathers, but borrowed it from future generations,” students were encouraged to adopt sustainable practices. Their engagement was evident through thoughtful initiatives addressing environmental concerns, such as the distribution of saplings and the implementation of eco-conscious innovations.

➤ **Online Environmental Awareness Campaign**

Students also participated in several online awareness campaigns, including the meaningful initiative “Ek Ped Maa Ke Naam”, encouraging students to plant trees and contribute towards environmental conservation while symbolically dedicating the act to their mothers.

➤ **Poshan Pakhwara Awareness Campaign**

In alignment with the guidelines of Central Board of Secondary Education, the school actively observed Poshan Pakhwara through a five-day awareness campaign aimed at promoting the importance of nutrition and healthy lifestyle habits among students. Various informative activities were conducted to sensitize learners about balanced diet, hygiene, and overall well-being, encouraging them to adopt healthier practices in their daily lives.

➤ **Commemoration of Janjatiya Gaurav Diwas**

The school celebrated Janjatiya Gaurav Diwas to honour the legacy and sacrifices of the great tribal freedom fighter Birsa Munda. Through informative sessions and discussions, students learned about the invaluable contribution of tribal communities and the inspiring life of Birsa Munda in India’s struggle for justice and freedom.

➤ **Participation in Guidance Festival**

Students of the school participated in the Guidance Festival organized at BCM Arya School. The event provided a dynamic platform for students to explore academic pathways, career opportunities and personality development through interactive sessions and activities.

➤ **Representation in Techno Fest Competitions**

Four students represented the school in a Techno Fest, showcasing their creativity and intellectual abilities. They participated in various competitions including Kalam Vision, Quiz Contest, Declamation, and Teenpreneurship, demonstrating innovative thinking, communication skills and entrepreneurial spirit.

➤ **Participation in 'Visit Bharat' Campaign**

Around 60 students enthusiastically participated in the Viksit Bharat Campaign, engaging in creative and skill-based activities such as Kitchen Gardening, Diya Making, Candle Making, and Best Out of Waste. The initiative aimed at nurturing sustainability, creativity and civic responsibility among students.

➤ **Say No to Plastic Awareness Activities**

To promote environmental responsibility, the school organized Poster Making and Declamation Competitions under the theme "Say No to Plastic." Students creatively expressed their ideas and highlighted the importance of reducing plastic usage for a cleaner and greener environment.

➤ **Paper Bag Making Competition**

A Paper Bag Making Competition was organized to encourage eco-friendly alternatives to plastic bags. Students actively participated and demonstrated creativity while learning the importance of sustainable practices in everyday life.

➤ **Essay Writing Competition by Central Vigilance Commission**

Students participated in an Essay Writing Competition conducted by the Central Vigilance Commission. The competition aimed to promote awareness about ethics, integrity and transparency among young learners.

➤ **Awareness Rally on 'Yudh Nasheya Virudh'**

An awareness rally was organized under the campaign "Yudh Nasheya Virudh" (War Against Drugs) to educate students and the community about the harmful effects of substance abuse. A seminar was also conducted by Varinder Kumar, who guided students about the importance of leading a healthy and responsible life.

➤ **Fire Safety Mock Drill**

A Fire Safety Mock Drill was conducted on 7 August 2025 under the theme "Empowering Minds, Ensuring Safety." The session was facilitated by Mr. Sharma from Manohar Fire Safety Equipment's and Services. Students and staff were trained in emergency response techniques, fire prevention measures and safe evacuation procedures. A Fire Safety Mock Drill was conducted on 7 August 2025 under the theme "Empowering Minds, Ensuring Safety." The session was facilitated by Mr. Sharma from Manohar Fire Safety Equipment's and Services. Students and staff were trained in emergency response techniques, fire prevention measures and safe evacuation procedures.

➤ **Sugar Awareness Initiative**

On 9 September 2025, a Sugar Board Preparation Activity was organized under the theme "Sugar Awareness." Students prepared informative displays highlighting the impact of excessive sugar consumption and the importance of maintaining healthy dietary habits.

Bridging School and Home: The Role of SMC & PTA

To ensure seamless collaboration between the school administration, staff, and parents, the School Management Committee (SMC) and Parent-Teacher Association (PTA) played pivotal roles. Decisions concerning infrastructure, staff appointments, teacher allocations, and budget provisions for laboratory equipment and library resources were thoughtfully discussed and approved. These collective efforts ensured smooth school functioning and progressive development aligned with students' best interests.

Recognizing Brilliance: Topper's Day Celebrations

On 18th February 2025, the school campus came alive with pride and celebration as it hosted its Annual Function—Topper's Day—to honour the exceptional academic and co-curricular achievements of students for the academic year 2024–25.

Students who demonstrated outstanding academic performance were duly felicitated. From Class V 155 students secured Grade A1, while 85 students attained Grade A2, reflecting their hard work and commitment. In the Senior Secondary segment, 10 students earned first position, 10 secured second, and 18 were awarded third position based on their annual academic results.

In the Board Examinations, 10 students from Class X and 04 students from Class XII scored above 80%, a testament to their academic excellence.

In recognition of their dedication and consistent attendance, Sonu Diwakar (IV B), Muskaan (VIII A) were honored with the Full Attendance Award.

Demonstrating prowess beyond the classroom, the school proudly acknowledged 18 students who represented at the district and state levels in sports, celebrating their determination and athletic spirit.

Teacher Trainings

Teacher training sessions were conducted for school teachers and the principal under COE and other certified trainers on the following topics:

- (a) Classroom and Time Management
- (b) Joyful Mathematics
- (c) Integrity and Ethics
- (d) Capacity Building Programmed on Accountancy
- (e) Happy Classrooms
- (f) Educating Parents about Education
- (g) Promoting Mental Health and Wellness Among the Student's
- (h) Competency based Assessment Punjabi Language
- (i) Digital Pedagogy and Use of Technology in Education
- (j) Competency-Based Learning and Assessment
- (k) Emotional Intelligence in the Classroom
- (l) Life Skill
- (j) Cyber Safety and Security
- (k) English core Senior Secondary

- (l) Early Childhood
- (m) Environmental Hazards of Electronic Based
- (n) Virtual Lab for teaching, learning and Assessment in Biology, Mathematics, Physics, Chemistry & Computer
- (o) Eklavya 3030 Program
- (p) Empowering Teachers with AI
- (q) School Leadership Development Program
